NEW FEATURES

Drug Formulary Search

- A formulary is a list of generic and brand name prescription drugs covered by your health plan. You can now quickly search for covered drugs inside the app.

Variable Copay™ Enrollment

- Variable Copay™ is a revolutionary program designed to significantly reduce the rising cost of eligible brand and specialty medications by utilizing manufacturer-provided coupons. Enrollment is necessary to receive these manufacturer provided coupons. Variable Copay™ enrollment is now an integrated app feature.

Prior Authorization Reviews

- Prior authorization is a cost-savings initiative of your prescription drug benefit plan that ensures the appropriate use of certain prescription drugs. This program is designed to help prevent improper prescribing or use of certain drugs that may not be the best choice for a given health condition. Members can now view their prior authorizations within the app.
